ANNOUNCEMENTS

VOLUNTEERING OPPORTUNITY: CHATTER PROGRAM

Deadline to Apply: September 28th, 2023

Last Wednesday, Grade 9, 10, 11, and 12 students received a presentation about the Chatter Program. The Chatter Program is a social skills group that helps children and teens develop social communication and conversation skills. High School students who are selected into the program (volunteer peer mentors) are matched with students who are identified by their teachers as needing programming for communication and social skills (mentees). Peer mentors and mentees attend Chatter sessions which are developed and led by a team of speech-language pathologists, occupational therapists, and behavior consultants. Within these sessions, peer mentors help model skills and create valuable opportunities for mentees to practice their skills. Interested students can apply using the volunteer application link below. Please direct all questions about the program to volunteer@khancommunicationservices.com.
